

I CLICKED WHAT?!

CAT BEANIES WITH THE COMPANY LOGO?! I COULDN'T GUESS WHY ANYONE WOULD ORDER THAT, BUT THERE WAS AN INVOICE RIGHT THERE IN MY EMAIL. MAYBE I COULD HELP SOMEBODY AVOID A LATE FEE?

I'D BETTER HAVE A LOOK!

THAT WAS NOT AN INVOICE. NOW MY LAPTOP IS SLOW AND I THINK I SAW MY MOUSE MOVE ON ITS OWN.

NOT GOOD.

IT WAS EMBARRASSING BUT, IF I REPORTED IT QUICKLY, I KNEW IT WOULD HELP WITH INCIDENT RESPONSE...

I OPENED AN ATTACHMENT IN MY EMAIL AND I THINK IT WAS MALWARE!

SOME PHISHING ATTACKS ARE EASY TO SPOT, WITH TYPOS AND MISSPELLINGS. BUT OTHERS SEEM LEGIT' AND DON'T GIVE ANY OBVIOUS CLUES. IF YOU THINK YOU CLICKED ON A BAD LINK OR OPENED A BOGUS EMAIL ATTACHMENT, REPORT IT QUICKLY.
